- > the maximum **we'll** pay;
- > additional policy benefits; and
- > optional policy benefits.

The additional policy benefits are included in **your** cover unless noted otherwise in the **schedule**. The optional benefit is not included in **your** cover unless specifically noted in the **schedule**.

In the section, 'What we won't cover' **we** set out some of the things that **we** don't cover under this policy.

You should read all sections to get a full picture of what is covered by this policy, what **your** obligations are and what **we'll** pay.

Main insuring promise

We'll cover **you** for **accidental loss** to the **car** that happens during the **period of insurance** in New Zealand, including in transit between places anywhere in New Zealand, while being **used** in accordance with the **car use** set out below and subject to the terms of this policy.

We'll cover **you** in the way that is explained in the 'What happens if you need to claim' section of this policy.

The maximum we'll pay

Unless this policy specifically states otherwise in another section, the most **we'll** pay **you** in total for any **event** is the **agreed value** that is shown on the **schedule**, plus the amount of any applicable additional policy benefits outlined below that apply in addition to the **agreed value**.

Insured car use

What happens if you need to claim

When **you** need to make a claim, **we'll** be here to help. However, there are some things that **you** must do.

What you must do

Immediately after an **accident** occurs, **you** must:

- > take all reasonable steps to protect **yourself** and **car** or other insured property;
- > take all reasonable steps to prevent further **loss**;
- > notify **us** about the event;
- > notify the police as soon as possible if **you** think the **loss** was caused by a criminal act or if required by law or if required by this policy;
- > keep any damaged property and allow **us** to inspect the **car** or other insured property;
- > provide all reasonable assistance and co-operate with **us** and **our** assessors, investigators, lawyers, or anyone else **we** appoint;
- > give **us** any information **we** ask for or help which **we** reasonably request; and
- > assist **us** without charge if **we** decide to take any recovery action against somebody else in respect of **your loss**.

If **you** become aware of a claim or a circumstance that could give rise to a claim against **you** which is or may be covered under this policy, **you** must:

- > immediately tell **us**;
- > as soon as possible, send **us** everything **you** receive from anyone about the claim or possible claim against **you**;
- > not admit liability without **our** consent;
- > not incur any expense without **our** consent;
- > not negotiate with the claimant or make payment to the claimant or make any agreement in relation to any claim.

If **you** make a claim on this policy, **you** must be honest and truthful.

- > decline **your** whole claim or part of it, and/or
- > recover anything that **we** have already paid **you** in respect of **your** claim or the **accident**, and/or

How we'll settle your claim

Repairable

If in **our** opinion the **car** is economic to repair, **we** have the option to:

- > arrange for the **car** to be repaired as near as possible to the condition it was in before the **loss** happened, using parts and practice appropriate in the New Zealand repair industry, or
- > pay **you** the cost of repairs as estimated by **our** assessor.

Parts unavailable in New Zealand

The most **we'll** pay for any part or **accessory** or **modification** not available in New Zealand is the lesser of:

- > the manufacturer's last known list price in New Zealand, or
- > the price of the part's closest New Zealand equivalent, or
- > the cost of having a new part made in New Zealand.

We won't pay for the cost of freighting parts or **accessories** or **modifications** from overseas or for the replacement of any part that has not been damaged.

Repair guarantee

All repairs to the **car** that are done through **our** approved repairer network are quality guaranteed while **you** own the **car** and insure it with **us**.

Not repairable

If in **our** opinion the **car** is uneconomic to repair, **we'll**:

- > pay **you** the agreed value, if the **car** was in a well-maintained and roadworthy condition when the **loss** happened, or
- > pay **you** the **market value** up to the agreed value, if the **car** was not in a well-maintained and roadworthy condition when the **loss** happened, or

Breach of any condition

If **you**, or any other person or entity **we** cover under this policy, or anyone acting on **your** behalf, breaches any of the terms, conditions, and other requirements of this policy, **we** may not pay **your** claim either in whole or in part.

This does not affect any of **our** other rights, including the right to avoid the policy for non-disclosure or, where **your** claim is dishonest or fraudulent, to declare that this policy and any other policy **you** have with **us** are of no effect from the date of the dishonest or fraudulent act.

Cancellation

You may cancel **your** policy with **us** at any time unless **you** have made a claim for a total **loss**. If **you** cancel **your** policy then **we'll** refund any unused premium that **you** have paid unless **you** have paid **your** premium by instalment.
