# Important stuff about this policy

## Welcome to Ando House Insurance

Ando House Insurance is provided by the insurer noted in the **schedule**. The insurer noted in the **schedule** is the only organisation responsible for claims under this cover. - > this policy document,
- > any endorsements or clauses that amend the policy terms as shown in **your schedule** ,and

## Reading your policy

You should read this policy document, together with **your schedule** to make sure **you** understand **your** cover and that it meets **your** needs.

There are words in bold that have specific meaning(s) and are explained in the 'Definitions' section at the end of this policy document.

The headings that **we** have used in this policy document are intended to help **you** find **your** way through it more easily. They are not intended to be used for interpreting the contents of the policy document.

## Applying your policy

How we apply cover under **your** policy depends on the type of **event** which has caused **loss** to **your house**.

**We'll** calculate the maximum **we'll** pay differently if **your loss** is as a result of a **fire** or explosion than **we** will for other types of **event**, as set out in page 6 of this policy.

Please note that the term '**fire**' has a specific meaning as set out in the 'Definitions' section on page 33 of this policy.

## Duty of disclosure

When **you** apply for insurance, **you** have a legal duty of disclosure. This means **you** or anyone applying on **your** behalf must tell **us** everything **you** know (or could be reasonably expected to know) that might affect **our** decision when deciding:

- > to accept **your** insurance, and/or
- > the cost or terms of the insurance, including the **excess**.

In particular, **you** should tell **us** anything which may increase the chance of a claim under this policy, or the amount of a claim under this policy.

**You** also have this duty every time **your** insurance renews and when **you** make any changes to it. If **you** or anyone on **your** behalf breaches this duty of disclosure, **we** may treat this policy as being of no effect and to have never existed. Please ask **us** if **you** are not sure whether **you** need to tell **us** about something.

## Changes to facts or circumstances during the policy

**You** must tell **us** of any material change to any of the facts or circumstances existing at the beginning of the **period of insurance**. If **you** do notify **us** of a change, **we** may alter the premium, the terms of **your** insurance or cancel the insurance with effect from the date on which the change first occurred.

## Changing your mind

If **you** change **your** mind **you** can cancel **your** policy within 30 days of it starting **we'll** refund in full any premium **you** have paid, provided **you** have not made a claim.

## Privacy

**You** agree to Ando Insurance Group Limited collecting, using and disclosing your personal information as set out in **our** Privacy Policy. Where **you** provide **us** with personal information about any other person for insurance related purposes, **you** confirm that **you** have the authority of those persons to disclose such information and to authorise Ando to collect, hold, use and disclose the information in accordance with **our** Privacy Policy.

For information about Ando's Privacy Policy, please see [www.ando.co.nz/privacy-policy](http://www.ando.co.nz/privacy-policy).

## Insurance Claims Register

**You** consent to any personal information **we** hold in connection with any claim that **you** make being transferred to the Insurance Claims Register, a register operated by Insurance Claims Register Limited for use by participant insurers. This information may be accessed by participant insurers for the purpose of managing claims.

# What we agree to cover

This policy provides insurance for **your house** plus a number of extra benefits.

In this section **we** explain what is covered by the policy. This section sets out **our**:

- > cover for your **house**;
- > the maximum **we'll** pay;
- > additional policy benefits; and
- > optional policy benefits.

The additional policy benefits are included in **your** cover unless noted otherwise in the **schedule**. The optional policy benefits are not included in **your** cover unless specifically noted in the **schedule**.

In the section, 'Policy Exclusions' **we** set out some of the things that **we** don't cover under this policy.

**You** should read all sections to get a full picture of what is covered by this policy, what **your** obligations are and what **we'll** pay.

## Cover for your house

**We'll** cover **you** for **accidental loss** to the **house** that occurs during the **period of insurance** subject to the insurance contract's terms, conditions and exclusions.

## The maximum we'll pay

Unless otherwise noted on **your schedule** if the **loss to your house** is caused by **fire** or explosion the maximum amount that **we'll** pay **you** or incur **ourselves** for any **event** is:

- > the **reinstatement value**;
- > the actual cost to rebuild or replace other items covered under the definition of **house**;
- > the amount of any applicable additional policy benefits outlined below that apply in addition to the **reinstatement value**; and
- > the amount of any applicable optional policy benefits that have a sublimit set out below that apply in addition to the **reinstatement value** and are shown on **your schedule**.

If the **loss to your house** is not caused by **fire** or explosion the maximum amount that **we'll** pay **you** or incur **ourselves** for any **event** is:

- > the **sum insured**;
- > the amount of any applicable additional policy benefits outlined below that apply in addition to the **sum insured**; and
- > the amount of any applicable optional policy benefits that have a sublimit set out below that apply in addition to the **sum insured** and are shown on **your schedule**.

## Additional policy benefits

The additional policy benefits are subject to the terms and conditions of the policy.

### Authorities damage

We'll cover **you** for the cost of repairing any physical damage to **your house** caused by any government or local authorities during the **period of insurance** to prevent **loss** to **your house** which would be covered by this policy.

Any amount that **we** pay **you** under this additional policy benefit is included within the **reinstatement value** or **sum insured**.

### Electronic programs

We'll cover **you** for the reasonable cost of resetting, restoring or reprogramming any software that is necessary to operate any electronic equipment installed in **your house** where that equipment has suffered **loss** covered by this policy during the **period of insurance**. However, this does not extend to the cost of replacing any data stored on any of this equipment.

This is in addition to the **reinstatement value** or **sum insured**.

### Hidden gradual damage

We'll cover **you** for gradual physical damage to **your house** which is hidden from view, provided that the damage occurs during the **period of insurance** and is caused by the leaking or overflowing of an internal:

- > water pipe, waste disposal pipe or water storage tank;
- > bath, shower, basin, sink, toilet, cistern, bidet; or
- > household appliance;

which is permanently connected to **your house's** plumbing system.

We'll also cover **you** for parts of the **house** not directly affected but which must be damaged or destroyed to locate the cause of the gradual physical damage.

We won't cover **you** for:

- > the cost of repairing the water pipe, waste disposal pipe, water storage tank, bath, shower, basin, sink, toilet, cistern, bidet; or household appliance;
- > any damage that occurred before or after the **period of insurance**.

The most **we'll** pay **you** under this additional policy benefit for any one **event** is \$5,000. This limit is included within the **reinstatement value** or **sum insured**.

### Home office

We'll cover **you** for **accidental loss** to any part of **your house** that is used as a home office that occurs during the **period of insurance**.

Any amount that **we** pay **you** under this additional policy benefit is included within the **reinstatement value** or **sum insured**.

## Intentional acts

If the **house** is a residential **rental property** and this is shown on the **schedule**, provided that **you** comply with the 'Landlord obligations' condition, **we'll** cover **you** for **loss to your house** by fire or explosion that occurs during the **period of insurance** which is caused intentionally by:

- > a **tenant**, or
- > any **guest** of a **tenant**

Any amount that **we** pay **you** under this additional policy benefit is included within the **reinstatement value** or **sum insured**.

## Keys and locks

**We'll** cover **you** for the cost of replacing keys or locks that give access to **your house** or changing key codes if the security of **your house** is at risk following theft, **loss** or unauthorised duplication of **your** keys that occurred during the **period of insurance**.

**We'll** also cover **you** for the cost of opening any safe or strong room following theft or disappearance of its key or combination.

The most **we'll** pay **you** under this additional policy benefit for any one **event** is \$2,000. This limit is in addition to the **reinstatement value** or **sum insured**.

If **you** have another policy with **us** which also covers these costs, the most **we'll** pay is \$2,000 in total under all of the policies for any one **event**.

The **excess** does not apply to this additional policy benefit.

## Landscaping

**We'll** cover **you** for **loss to your** gardens (including hedges, trees, shrubs, and plants), garden edging, and lawns that occurs during the **period of insurance** where:

- > **your house** was also damaged in the same **event** and **we** have agreed to pay a claim for **loss to your house**; or
- > a vehicle not belonging to **you** and/or not in **your** control causes damage by impact to **your** gardens without causing any damage to **your house**.

The most **we'll** pay **you** under this additional policy benefit for any one **event**, including the cost of clearing and replanting with new seedlings, is \$10,000. This limit is in addition to the **reinstatement value** or **sum insured**.

## Loss of rent

If **your house** is a residential **rental property** and this is shown on the **schedule**, provided that **you** comply with the 'Landlord obligations' condition and a residential tenancy agreement was in place at the time of the **loss**, **we'll** cover **you** for the reasonable rent that **you** lose if **your house** becomes **uninhabitable** due to **loss to your house** that occurs during the **period of insurance** which is covered by this policy or covered entirely by the **NHC**.

The most **we'll** pay for all **events** occurring during the **period of insurance** is \$50,000. This limit applies to each residential dwelling shown on the **schedule**.

If **you** have another policy with **us** which also covers the lost rent, the most **we'll** pay is \$50,000 in total under all of the policies for all **events** occurring during the **period of insurance**.

Any amount that **we** pay **you** under this additional policy benefit is additional to the **reinstatement value** or **sum insured**.

## Natural disaster

Despite the 'Earth and other movements' clause in 'policy exclusions' **we'll** cover **you** for **loss to your house** caused by, arising from or connected with a **natural disaster** that occurs during the **period of insurance** provided that the **loss** is covered under the **NHI Act** and the cost of repairing or rebuilding the portion of **your house** which has sustained **loss** because of the **natural disaster** is more than **your** cover under **NHI Act**.

Where the **loss** would have been covered under the **NHI Act** but:

- > **you** failed to notify the **NHC** of a claim within the time required under the **NHI Act**, or
- > the **NHC** declines **your** claim, or only partially settles **your** claim,

**we'll** only pay the difference between the maximum that would have been payable had the **NHC** accepted **your** claim in full, and the cost to repair or rebuild the part/s of **your house** that suffered the **loss** up to the **sum insured**.

There is no cover for the **excess** payable by **you** under the **NHI Act**.

**We'll** also cover **you** for **loss to your house** caused by a **natural disaster** that the **NHC** does not cover because the **loss** has occurred in a part of **your house** which does not fall within the cover provided under the **NHI Act**. For such claims, the **excess** will be \$5,000 per **event** (or **your** standard **excess** if higher).

There is no cover provided by this additional policy benefit for loss or damage that the **NHC** considers to be imminent damage as set out in Section 24 of the **NHI Act**.

The most **we'll** pay under this additional policy benefit is the difference between the maximum payable by the **NHC** and **your sum insured**.

## New building work

**We'll** cover **accidental loss** to new building work during the **period of insurance**.

New building work includes all of the following:

- > any work being undertaken to alter existing fittings or features at **your house we** insure unless excluded below;
- > any new structure being built within the **residential boundaries of your house we** insure unless excluded below; and
- > any building materials that are intended for use as part of the alterations to **your house** and which are owned by **you** and located within the **residential boundaries of your house we** insure unless excluded below

- > alterations where the expected value of the completed work, or the cost that an independent professional would charge, including building materials, is more than \$100,000 including GST;
- > any structure that **you** do not own (or are not responsible for whilst it is being built) or that will not be covered by this **house** policy once complete;

- > alterations that have not been granted a building consent or similar, where one is required;

- > alterations that are subject to a separate contract works insurance policy.

The most **we'll pay you** under this additional policy benefit for any one **event** is \$100,000. This limit is included within the **reinstatement value** or **sum insured**.

### Post disaster inflation

**We** may, at **our** sole and absolute discretion, increase the **sum insured** available under this policy if:

- > a **natural disaster, flood, storm or wide area damage fire** has occurred near **your house** during the **period of insurance** causing widespread damage to the property of the community and, as a direct result, building costs have significantly increased; and
- > **you** intend to repair or rebuild **your house**; and,
- > the **sum insured** is inadequate to wholly cover the actual cost required to repair or rebuild **your house** solely due to the increase in building costs described above.

The most **we'll** consider increasing the **sum insured** by is 10%.

### Psychological counselling

**We** will pay for professional counselling following an insured **event**, should **you** injure **yourself** in **your home** as a result of a **fire, natural disaster fire, wide area damage fire**, home invasion, burglary or theft.

**We'll** cover **you** for **accidental loss** to **retaining walls** that occurs during the **period of insurance**. This includes the cost of gaining access to the **retaining wall**, and providing footing, drainage materials and stabilisation of the soil directly necessary for the work to the **retaining wall** or part of the **retaining wall** that has suffered loss.

**We** won't cover **you** for **loss** to incomplete **retaining walls** or any **retaining wall** for which a building consent was legally required and either:

- > a building consent was not obtained; or,
- > the local authority has not issued a code compliance certificate in respect of the **retaining wall**.

**We** won't cover **you** for **loss** to any **retaining wall** that is covered under the **NHI Act**.

The most **we'll pay you** under this additional policy benefit for any one **event** is \$100,000 unless an increased amount is stated on the **schedule**. This limit is included within the **reinstatement value** or **sum insured**.

### Sale and purchase

If **you** have entered into a contract to sell **your house**, **we'll** cover the purchaser on the same basis that **we** insure **you** under this policy for **loss** to **your house** that occurs during the period between the date the contract was entered and:

- > the date of settlement; or,
- > the date on which the purchaser takes possession of **your house**; or
- > the expiry of the **period of insurance**;

whichever occurs first.

The cover provided by this additional policy benefit will only be available to the purchaser if the purchaser:

- > meets all conditions of this policy, and
- > has not otherwise insured **your house** at the time of the **loss**.

The cover provided to the purchaser under this additional policy benefit shall never be greater than the cover which would have been available to **you** if **you** had not entered into the contract to sell **your house**.

### Security system

If **your house** is fitted with an alarm or a security system that **we** approve, and is activated during a break in or attempted break in during the **period of insurance** and there is evidence of this, **we'll** pay the reasonable costs of any call out fee for attendance by a monitoring service to reset or reprogram it.

The **excess** does not apply to this additional policy benefit.

### Stress payment

If **your house** is a **total loss** due to an **event** occurring during the **period of insurance** and **we** accept a claim under this policy, **we'll** pay **you** an additional sum of \$2,000 for the stress caused by this **loss**.

If **you** have another policy with **us** which also provides a benefit related to stress, the most **we'll** pay **you** is \$2,000 in total under all of the policies for any one **event**.

- > **we** approve the **sustainable products**.

The most **we'll** pay **you** under this additional policy benefit is \$15,000. This limit is in addition to the **reinstatement value** or **sum insured**.

### Temporary accommodation

If **your house** becomes **uninhabitable** due to **loss** to **your house** that occurs during the **period of insurance** which is covered by this policy or covered entirely by the **NHC**, **we'll** pay the reasonable cost of temporary accommodation of a similar quality to **your house** for **you**, members of **your family** who were permanently living with **you** immediately before the **loss**, and **your domestic animals**.

**We'll** also pay the reasonable cost of temporary accommodation where **your house** is otherwise safe and sanitary, but **you** are prevented from accessing it by an order or direction of government or local authorities made during the **period of insurance** due to possible or impending **loss** to **your house** which would be covered by this policy or covered entirely by the **NHC**.

**We'll** stop paying temporary accommodation as soon as any of the following occur:

- > **your house** has been repaired or rebuilt;
- > **your house** is no longer **uninhabitable**;
- > **you** move into another **house** that **you** own;
- > **we** settle **your** claim under this policy by paying **you** a sum of money;
- > **we** have provided temporary accommodation for 18 months; or,
- > **we** have paid \$50,000 for temporary accommodation.

If **you**, or a member of **your family**, have any other policy with **us** which also provides cover for temporary accommodation, **you** and **your family** are only entitled to payment of this benefit under one policy per **event**.

If **you** have made a claim for the cost of temporary accommodation under this policy (or under any other policy that **you** have with **us**) and another **loss** occurs to **your house** while **you** are living in temporary accommodation, then the most **we'll** pay is \$50,000 for all claims or **events** combined.

# What happens if you need to claim

When **you** need to make a claim, **we'll** be here to help **you**. However, there are some things that **you** must do.

## What you must do

Immediately after an **event** occurs, **you** must:

- > take all reasonable steps to protect **yourself** and **your house**;
- > take all reasonable steps to prevent further **loss**;
- > immediately tell **us** about the **event**;
- > notify the police as soon as possible if **you** think the **loss** was caused by a criminal act;
- > keep any damaged property and allow **us** to inspect any areas of **your house** or outbuildings where the **loss** occurred;
- > provide all reasonable assistance and co-operate with **us** and **our** assessors, investigators, lawyers or anyone else **we** appoint;
- > obtain **our** consent before incurring any costs to repair or rebuild **your house**;
- > give **us** any information **we** ask for or help which **we** reasonably request; and
- > assist **us** without charge if **we** decide to take any recovery action against somebody else in respect of **your loss**.

If **you** become aware of a claim against **you** which may be covered under the section 'Cover for your legal liability' or circumstances that could give rise to a claim, **you** must:

- > immediately tell **us**;
- > as soon as possible, send **us** everything **you** receive from anyone about the claim or possible claim against **you**;
- > not admit liability without **our** consent;
- > not incur any expense without **our** consent;
- > not negotiate with the claimant or make payment to the claimant or make any agreement in relation to any claim.

If **you** make a claim on this policy, **you** must be honest and truthful. If **your** claim is dishonest or fraudulent in any way, **we** may:

- > decline **your** whole claim or part of it, and/or
- > recover anything that **we** have already paid **you** in respect of **your** claim or the **event**, and/or
- > declare that this policy and any other policy **you** have with **us**, to be of no effect and to no longer exist from the date of the dishonest or fraudulent act.

# How we will settle your claim

We will settle **your** claim for **loss** that is covered under this policy by following the process set out below.

## Economic and able to repair

If it is physically, legally and economically possible to repair the **loss to your house**, then at **our** option **we** will:

- > repair the **loss to your house**; or
- > pay **you** the actual reasonable cost **you** incur to repair the **loss to your house**, as those costs are incurred by **you**; or
- > pay **you** the estimated reasonable cost calculated by **our** experts to repair the **loss to your house**; or
- > pay **you** the cost to buy another comparable **house** in New Zealand (excluding the value of the land) up to the estimated reasonable cost calculated by **our** experts to repair the **loss to your house**.

If **you** don't want the **loss** to be repaired or, if **you** do not commence repair work within 12 months from the date of **loss** (unless the reason for the delay is outside of **your** control), then at **our** option **we** will pay **you** the lesser of:

- > the estimated reasonable cost calculated by **our** experts to repair the **loss to your house**; or
- > the **present day value** of **your house**, or
- > the **sum insured**.

Regardless of the option chosen above the maximum amount that **we'll** pay **you** or incur **ourselves** for any **event** is set out in 'the maximum we'll pay' clause (see page 6 of this policy wording).

## Uneconomic or unable to repair

If it is not physically, legally or economically possible to repair the **loss to your house**, then at **our** option **we** will:

- > rebuild your **house**; or
- > pay **you** the actual reasonable cost that **you** incur to rebuild **your house** on the same **site**, as those costs are incurred by **you**; or
- > pay **you** the actual reasonable cost that **you** incur to rebuild **your house** on a different **site** in New Zealand that **you** provide, as those costs are incurred by **you**; or
- > with **your** agreement, pay for **you** to buy another comparable house in New Zealand (excluding the value of the land); or
- > pay **you** the estimated reasonable cost calculated by our experts that **you** would incur to repair that part of **your house** that has suffered the **loss** covered by this policy.

If we choose an option where you rebuild or purchase a comparable house and if **you** do not commence the rebuild work or purchase a comparable **house** within 12 months from the date of **loss** (unless the reason for the delay is outside of **your** control), then at **our** option **we** will pay **you** the lesser of:

- > the **present day value** of **your house**, or
- > the **sum insured**.

Regardless of the option chosen above the maximum amount that **we'll** pay **you** or incur **ourselves** for any **event** is set out in 'the maximum we'll pay' clause (see page 6 of this policy wording).

## How we will repair or rebuild

If **we** rebuild or repair **your house**, or pay for **you** to do so, **we** will use or make payment on the basis of:

- > a building standard or specification which repairs or rebuilds the damaged part of **your house** to a condition similar to, but no more extensive or better than, that part's condition when new; and,
- > the use of building materials and construction methods commonly used at the time of the repair or rebuild; and,
- > only replicating heritage features if the techniques necessary are still in common use and the building materials are readily available in New Zealand;
- > where the **loss** is covered under the 'Use or manufacture of drugs by a tenant' additional policy benefit, the standard of repair is to the post-remediation level for residues stipulated in the Methamphetamine Testing and Remediation Standard NZS 8510 (or any amendments or substituted legislation); and
- > **we** may, at **our** option, retain any salvaged property.

## Extra costs which we will pay

If **we** choose to pay **you** the actual reasonable costs incurred to repair or rebuild **your house**, **we** will also pay **you** the following costs as they are incurred with **our** prior written consent:

- > the extra cost of complying with laws and regulations necessary for repairing or rebuilding the **loss to your house** provided that:
  - > the compliance cost solely relates to the parts of **your house** that suffered the **loss** covered by the policy;
  - > the damaged parts of **your house** complied with all laws and regulations at the time they were built or altered;
  - > the compliance costs don't arise from any central or local government statute, regulation or by-law where the sole purpose of that legislation is to reduce the house's or land's exposure to a natural hazard;
- > reasonable architects', engineers' and surveyors' fees necessary for repairing or rebuilding the **loss to your house**;
- > the reasonable incurred cost of demolition and removal of debris including the contents.

These extra costs are included within the maximum amount that **we'll** pay **you** or incur **ourselves** for any **event** as set out in 'the maximum we'll pay' clause (see page 6 of this policy wording).

**We** won't pay **you** these extra costs:

- > if **we** choose to carry out the repair or rebuild work (as **we'll** incur these costs **ourselves**); or
- > if **we** pay for **you** to buy a comparable house; or
- > if **we** pay the **present day value** of the **loss**; or
- > in any other situation.

## What we won't pay

**We won't pay:**

- > any extra cost of repairing or rebuilding any part of **your house** caused by that part not having a legally required building consent when it was built, or that part being built contrary to the building consent issued;
- > if **you** rebuild **your house** on a different **site**, any extra costs associated with that **site** which otherwise would not have been incurred at the original **site**;
- > the cost of repairing or rebuilding any part of **your** house that has not suffered **loss** which is covered by this policy;
- > any compliance costs arising from any central or local government statute, regulation or by-law where the sole purpose of that legislation is to reduce the house's or land's exposure to a natural hazard;
- > the cost of repair or rebuild beyond what is reasonable and practical;
- > the cost to repair or rebuild **your house** to exactly its previous shape, location, dimensions, appearance or condition, or beyond what is reasonably comparable with the original **house** when first built or renovated;
- > costs incurred without **our** consent. **We** may want to work with **you** to agree on suitable contractors and obtain quotes; or
- > any more than the amount set out in 'the maximum we'll pay' clause (see page 6 of this policy wording).

## What impact does a loss have on your policy

Unless **we** otherwise agree when **your** claim is accepted by **us** as covered under this policy, your **sum insured** and **reinstatement value** will be reduced by the amount of the **loss**.

In addition, the **sum insured** and **reinstatement value** is deemed to be reduced by the amount of all unrepaired **loss** which occurred in previous **periods of insurance**.

**Your sum insured** and **reinstatement value** will not reinstate unless and until the **loss** is repaired. The amount of cover will be reinstated as and to the extent that the **loss** is repaired.

The **sum insured** and **reinstatement value** will not reinstate following a **total loss** even if **your house** is rebuilt because your policy is at an end. The position set out on page 31 of this policy wording under the heading **total loss** applies.

# Our terms and conditions

## Assignment

**You** must not assign or attempt to assign:

- > this policy or **your** interest in this policy to anybody else; or,

without **our** prior written consent.

If **you** do not obtain **our** prior written consent, any transfer is invalid at law.

## Breach of any condition

If **you**, or any other person or entity **we** cover under this policy, or anyone acting on **your** behalf, breaches any of the terms, conditions, and other requirements of this policy, **we** may not pay **your** claim either in whole or in part.

This does not affect any of **our** other rights, including the right to avoid the policy for non-disclosure or, where **your** claim is dishonest or fraudulent, to declare that this policy and any other policy **you** have with **us** are of no effect from the date of the dishonest or fraudulent act.

## Cancellation

**You** may cancel **your** policy with **us** at any time unless **you** have made a claim for a **total loss**. If **you** cancel **your** policy then **we** will refund any **unused premium** that **you** have paid unless **you** have paid **your** premium by instalment.

**We** may cancel **your** policy with **us**:

- > if **you** have not paid the premium or a premium instalment within 28 days of the due date. Cancellation will take effect from the first day of the period to which the unpaid premium relates; or
- > for any other reason, by advising **you** by letter or email to **your** last known address or by advising **your** NZbrokers Group insurance broker in writing. Cancellation will take effect on the 30th day after the date of **our** email or letter to **you** or **our** written advice to **your** NZbrokers Group insurance broker. **We** will refund any **unused premium you** have paid unless **you** have paid **your** premium by instalment.

## Change of terms

**We** may modify the terms of this policy by advising **you** (or **your** NZbrokers Group insurance broker) by letter, or email to **your** last known address. Modification will take effect on the 30th day after the date of **our** email or letter or **our** written advice to **your** broker.

## Claim by people who are not the named insured(s)

If a person who is not a named insured in the **schedule** has a claim which is covered by this policy, they must authorise **you** to be their agent in respect of the claim. **We** will deal with **you** in respect of their claim and any payment **we** make to **you** will be effective as if it was payment to them. **We** will not be obligated to consider or settle a claim brought directly by a person who is not a named insured in the **schedule**.

## Costs incurred by you

If **you** are entitled under this policy to claim for any costs incurred by **you** then:

- > **you** must obtain **our** consent before incurring the costs; and
- > **we** will only cover **you** for the reasonable amount of any costs incurred.

## Double insurance

**You** must immediately tell **us** if you insure **your house** or anything that is insured under this policy with someone else.

**We** will not cover **you** under this policy for any **loss**, costs, liability or damage or lost rent that is also covered under any other policy with a different insurer to the extent of **your** cover under that other policy.

## Events

Any series of sudden and unforeseen events arising from one source or original cause shall be treated in this policy as if it was a single **event**.

## Goods and Services Tax (GST)

Where GST is recoverable by **us** under the Goods and Services Tax Act 1985:

- > the **replacement cost** and **sum insured** exclude GST;
- > all limits and sub limits include GST; and
- > all **excesses** include GST; and
- > GST will be added, where applicable, to claims payments.

## Governing law

This insurance contract is governed by New Zealand law and the New Zealand courts have exclusive jurisdiction in respect of this policy.

## Interested parties

If **you** tell **us** that **you** would like a party who has a financial interest in **your** house, such as a bank or finance company, to be noted as an interested party then **we** may partially or fully settle a claim by making payment to the interested party. This payment will either go towards meeting or completely fulfilling **our** obligations under this policy.

The interested party is not covered by this policy and does not have any right to make a claim under this policy.

**You** authorise **us** to disclose any of **your** personal information to the interested party.

## Joint insured(s)

If the **schedule** shows multiple insureds, or the insured is a trust, or the policy otherwise covers multiple people, then all insureds and people covered are jointly insured. The joint insureds are deemed to act with the express authority of each other. This means, for example, that if one person breaches the policy or cancels the policy or settles a claim, it will affect all other joint insureds.

## Landlord obligations

If **your house** is tenanted, **you**, or the person who manages the tenancy on **your** behalf, must:

- > obtain satisfactory written or verbal references for the **tenant** or **tenants** before entering the residential tenancy agreement, and
- > inspect the property, internally and externally, every three months and upon every change of **tenants**, and
- > keep a written record of each inspection which **you** can provide to **us**.

## Reasonable care

**You** must take reasonable care at all times to avoid circumstances that could result in a claim, and properly maintain **your house** and property.

## Total loss

When **we** settle a claim for a **total loss your** policy ends on the date of the **event** and **you** are not entitled to any refund of premium.

## Your excess

The **excess** is the amount **you** must pay for each individual **event** when **you** make a claim. The amount of the **excess** is shown on the **schedule**.

If a **loss** occurs at a time when **your house** is **unoccupied**, and **we** cover **you** under this policy for the **loss**, **you** must pay the **unoccupied excess** shown on the **schedule** for each individual **event**.

If **your house** suffers a **loss** and **we** have accepted **your** claim and **we** accept another claim arising from the same **event** for **loss** to **your** contents and/or **your** car, then **you** will only be required to pay one **excess**. The **excess** that **you** pay will be the highest of those **excesses** (including the **unoccupied excess** if applicable).

If **your house** suffers **loss** and **your** claim is solely for **accidental** breakage of:

- > window glass, door glass or glass screens; or
- > sinks, baths, wash basins, toilet bowls, shower cabinets, bidets; or
- > permanently fixed mirrors, permanently fixed glass lampshades or glass built-in furniture,

which are part of **your house**; then the standard **excess** that will apply is \$250 for each **event**, unless the **schedule** shows that **you** have chosen the 'Excess-free glass cover' optional policy benefit.
